

Light In This Shadowy World

Words & Music by James M. Cooper, 2001

[verse 1]

Yes I know, my Lord, one of these days
You'll be carrying me home to your kingdom.
Oh yes I know, my Lord, one of these days
You'll be carrying me home to your kingdom.

[chorus]

But before I go, I pray,
please help me find the way,
to live my life by Your words
and shine some light in this shadowy world.

[verse 2]

In that field I'll be, out there plowing,
in the heat of noon, that's when You'll call me.
Yes in that field I'll be, out there plowing,
in the heat of noon, that's when You'll call me.

[chorus]

[verse 3]

When my time is done there'll be no crying,
'cause on that day I'll know it's just You calling.
Yes when my time is done there'll be no crying,
'cause on that day I'll know it's just You calling.

[chorus]

[verse 4]

And I know, sweet Lord, You'll be with me;
You will lead me through, back to my homeland.
Oh yes I know, sweet Lord, You'll be with me;
You will lead me through, back to my homeland.

[chorus]

[verse 5]

Yes I know, my Lord, one of these days
You'll be carrying me home to your kingdom.
Oh yes I know, my Lord, one of these days
You'll be carrying me home to your kingdom.

[chorus]
